JohnC Freitas, Athletic Director**

Dear DHS Parents,

Congratulations on being the parent(s)/guardian(s) of a student in the Dinuba Unified School District's 2021 graduating class. We hope that this letter finds you and your family well. We know that our students and families have been looking forward to all of the memorable moments and time honored traditions that come with being a DHS Senior. No matter the circumstances, we are committed to honoring our seniors with all of the prestige and recognition they deserve!

The 2020-2021 school year has been a year unlike any other. Our students have been out of the physical classroom since March 2020 and they have continued their education online while persevering through adverse conditions. Through it all, our students continue to demonstrate resilience, determination and a will to succeed.

As of the writing of this letter, Tulare County and the San Joaquin Valley Region are still under a regional stay at home order to mitigate the spread of COVID-19. While we remain hopeful that we will have a return to on-campus activities this school year, we are moving forward with planning our traditional end of the year activities with a variety of options in mind, including in-person, socially distanced, and virtual. DHS is currently in the process of gathering input from our stakeholders on the planning of these events.

As we prepare for the traditional end of year activities, much of what we will be able to do, still remains to be seen. In this letter, you will find a list of important calendar dates. Receiving this letter does not guarantee that your student will be able to participate. Students are required to maintain satisfactory grades, attendance and have no disciplinary incidents through Thursday, May 27th, 2021.

Health and safety guidance will determine the format in which each event is held and event dates are subject to changes and cancellations. We will keep you informed as we continue to monitor the health and safety guidance and the impact it will have on our end of the year activities.

We look forward to celebrating your students success and honoring our graduating class of 2021!

Sincerely,

Andrew Popp, DHS Principal
